Dear Trusted Health Plan Provider:

This letter is to inform you that on January 22, 2018, George Washington University Hospital (GW Hospital) will no longer be a participating Trusted Health Plan provider. DC Healthy Family Members, may be admitted to GW Hospital through the emergency room (ER) and THP will continue to pay for ER and out-of-network Inpatient services at GW Hospital for our DC Healthy Family Members.

Trusted Health Plan is constantly expanding our provider network to include the very best hospitals and providers to meet your patient’s healthcare needs. We are pleased to announce that we have entered into an agreement with University of Maryland for OB services for Trusted Health Plan DC Healthy Family Members at Prince George’s Hospital. In addition, we have entered into an agreement with Adventist Health, this agreement will become effective in January and allow for Trusted Health Plan DC Healthy Family Members to receive services at Washington Adventist Hospital and its affiliated facilities in DC and surrounding areas.

Our members healthcare needs are very important to us, Trusted will continue to coordinate healthcare services for our members via single cases agreements to ensure continuation of care and services.

Full services are still available at the following hospitals:

- Children’s National Medical Center
- Howard University Hospital
- Providence Hospital
- Sibley Memorial Hospital
- United Medical Center

Your cooperation and contribution to quality care is greatly appreciated. If you have any questions or need assistance, please feel free to contact Trusted Health Plan (THP) Provider Services at 202-821-1145.

Thank you for your continued partnership

Sincerely,

Kenny R. Greene
Vice President, Provider Services
